## 780 CMR 112.0 DEMOLITION OF STRUCTURES

**112.1 Service Connections:** Before a *building* or *structure* is demolished or removed, the owner or agent shall notify all utilities having service connections within the *structure* such as water, electric, gas, sewer and other connections. A permit to demolish or remove a *building* or *structure* shall not be issued until a release is obtained from the utilities, stating that their respective service connections and appurtenant equipment, such as meters and regulators, have been removed or sealed and plugged in a safe manner.
